

Open students' eyes to a future full of career possibilities through JA Inspire in November 2025!

We invite your students to participate in JA Inspire, Junior Achievement of Greater South Carolina's in-depth career exploration program for local students offered at no cost. The program is a real-world way to envision future career opportunities through curriculum that can be used in school or self-guided online. This program opens students' eyes to the importance of career planning, and how to research new and exciting careers.

Junior Achievement of Greater South Carolina has partnered with several of our region's employers, ready to inform students about careers and jobs at their companies during the event. JA Inspire takes place in a visually rich environment that mimics the dynamics of a live event, including a lobby, information booth, auditorium for presentations, and halls with booths and sponsors. Within the experience, students attend webinars and presentations, explore career booths, and interact with career speakers and industry experts.

Highlights

- More than 30 local business booths organized by career clusters
- Scavenger hunt familiarizes students with the environment in a fun way
- Virtual backpack allows materials to be saved and emailed to students or parents
- Fully online, self-guided learning experience that allows students to explore their own
- Values, skills, interests, career clusters, and specific jobs
- Offers optional wraparound classroom introductions and talking points for each session.
- Online software is compatible with multiple devices: computers, tablets, mobile phones
- Extended student access - 24/7 access for 6 months

JA Inspire helps teachers engage with students on a deeper level by:

- Aiding teachers in their career-readiness efforts.
- Supporting academic standards in work readiness, with a secondary focus on social studies, business, reading, and writing.
- Equipping educators with classroom sessions before the virtual career fair so students get the most out of the experience.

Important Dates:

- September – Registration opens
- November 5th - JA Inspire online career fair opens
- May 5th - JA Inspire online career fair closes
