

JA Inspire
V I R T U A L

When our young people know where they're going, we all advance.

JA Inspire Virtual is a coalition of educators and industry leaders, led by Junior Achievement. At the Center of our work is a powerful, *virtual* career exploration event that will be massive, measured in student engagement and impact.

-  **7th-8th grade students** across South Carolina
-  **Formally integrated** into school curriculum
-  **Interactive showcase** of careers from our region
-  **Customizable exhibitor booths** will allow sponsors to feature downloadable career information, photos and on-the-job videos

Why JA Inspire Virtual? Students will begin their exploration with mostly abstract notions and will end up focused and activated, with real insights on what industries interest them, what specific jobs are like, and what education is required to do them successfully. Not all students receive career mentorship at home. For businesses, this is a chance to build your future workforce.

How you can Participate

JA seeks sponsorship to cover the cost of providing JA Inspire Virtual for students. Sponsors will fund student participation as well as help provide videos, photos and career information for your company. After the initial event, students will be able to access JA Inspire Virtual 24/7 for a 3-month period as they continue their career planning.
